

At the Council meeting today, there has been a discussion on the appointment of Chairs to the three organisations - tie (Edinburgh Trams), TEL and Lothian Buses. This follows David Mackay's resignation.

Brian Cox has been approved as the interim Chair for Edinburgh Trams and TEL and Ron Hewitt (Chief Executive of the Edinburgh Chamber of Commerce and existing LB Board member) has been approved as the shareholder's preferred candidate for the Chair of Lothian Buses. This latter decision will now be reviewed at the next LB Board.
